

Transportation Measure on November 2014 Ballot

Consider the **Future** of Transportation

- Improve and expand BART
- Keep transit fares affordable for seniors and people with disabilities
- Increase reliable bus service
- Provide an affordable student transit pass
- Expand safe walking and biking paths
- Repair streets and reduce traffic
- Create good quality local jobs

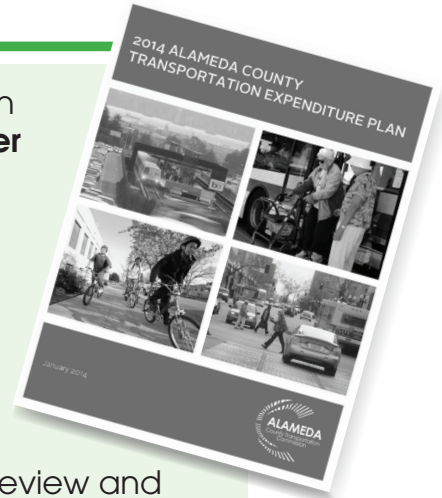

In November 2014, a **transportation measure** will be on the ballot...

The Choice Is Yours

- Restore, upgrade and expand BART, bus and commuter rail for reliable, safe and fast service
- Keep transit fares affordable for seniors, youth and people with disabilities
- Improve traffic and road safety for all users
- Fix potholes in every city in Alameda County
- Improve air quality and provide clean transportation options, including safe walking and biking
- Create good quality local jobs and support local businesses and workers

This detailed plan includes **taxpayer safeguards:**

- ✓ Independent Audits
- ✓ Compliance Reports
- ✓ Independent Watchdog Committee Review and Annual Reports to the Public
- ✓ All funds spent locally to benefit Alameda County residents
